

**INTRODUCTION: GARY BRODEUR  
(pronounced "Bro-der")**

Before I introduce our entertainment, I'd like to remind you to please turn off your cell phone. Photographs are allowed during the show however, audio or video recording of any kind is strictly prohibited. Thank you for your cooperation.

Entertaining us this evening is a man who makes his living simply talking to himself. Gary Brodeur has been seen all over New England the last 40 years. He has been the opening act for entertainers such as country artist Toby Keith and Jeff Dunham. And over the years during his radio show was able to interview artists like John Lennon, Garth Brooks, The Three Stooges, Faith Hill and many others.

Please welcome on his world tour of Western Massachusetts, comedian-ventriloquist Gary Brodeur.
